

JOHN'S JOURNAL

Prayer Letter of John Starke

August 2009

My First "Dear John" Letter

It happened just a few weeks ago, I was working at my desk when our bookkeeper, with a smile on his face, dropped off a note for me. It started off with "Dear John, I've never written a 'dear John' letter before, but here goes"....

The letter went on to tell me that the donor would support me for 50 dollars a month till the end of the year. The note made me laugh and the generous donation toward my monthly support made me rejoice in God's provision.

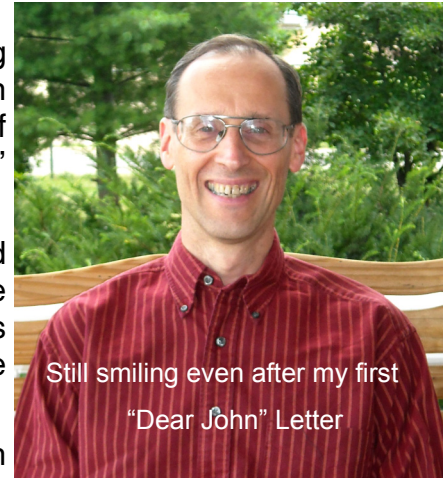

My support level has come up this past month thanks to many of you. I've gained 6 pounds of the 10 that I lost. Praise the Lord for my neighbor's good cooking and turkey vegetable chili from a co-worker at ETS!

I was also very pleased to have **Tomoka Christian Church** in Ormond Beach, Florida pick up part of my monthly support. They have also pledged to pray for me on a regular basis as well.

Some guys may hate "Dear John" letters but they sound like "love notes" to me!

Thank each of you so much.

John Starke
