Tomoka Christian Church Volunteers

I always look forward to the time when our friends from Tomoka Christian Church in Ormond Beach, Florida come to work with us. I get to eat lunch with them and spend time in the evening with them after putting in a hard day's work. They are hard workers and get so much accomplished. We are now only 9 windows from completing the 104 windows replacement project that we have been working on for the last two years.

They also painted the "upper room" where we will be able to display electronics, sound systems and also house volunteer groups that come from a distance to work here. They organized the computer room, boxed clothing, counted out vitamins, rewired some areas in the building, painted window trim and worked on plans for a solar cooker. Whew, it makes me tired just listing all the work that got accomplished!

The last day they were here they decided "to be a little less Martha and a little more Mary" and did a prayer walk of our building. When we work, we work, but when we pray, God Works! Thank you Tomoka Christian for your prayers and support. May your tribe increase!
