Prayer Letter of John Starke

October 2011

Word of Life Reunion

I graduated 25 years ago from Word of Life in Schroon Lake, New York. This past month I was privileged to attend a 25th reunion of the class of 1986. It was really nice to reconnect with the 50 classmates that attended. I brought ETS materials with me along with my prayer letters to distribute to anyone interested in Equipping The Saints.

I was also able to spend a week at home with my Mom and brother Jimmy. It was nice to be home but I also spent a lot of my time getting my car repaired. My poor 95 Subaru Legacy had major surgery. The engine was pulled, the timing belt and pulley set replaced, along with the radiator and power steering pump. I took a major hit to my finances as the repairs were over \$1300. I was so thankful to be able to get the car repaired as I really don't want to rely on my roller skates for my primary transportation.

Thank you for your prayers for my safety, and for my ministry. I love to roller skate and lately have been feeling a little like my car before the repairs. I fell last week while on my skates not once but twice. I found out two things: 1. I don't bounce back as quickly as I did before I turned 50 and 2. avoid all 6 year old boys at the roller rink. I sustained injuries to my shoulder, my hand and of course my pride.

Each time your gift comes I realize that prayers back it up. Thank you so much.
