VBS Time Again

Can you guess the theme of this year's Vacation Bible School? This year I was the "VBS Overhead / Technical Administrator" at two programs. **Hometown Nazareth**

was the theme of Laurel Hills Baptist Church where I ran the computer programs for the songs and daily programming. The theme was to get the children to realize that they could also be hometown heroes and they were encouraged to bring items for nursing home residents. The items collected were then made into a "care kit" and distributed to the residents. I enjoyed the stories, and crafts and of course as a single man I also enjoyed the refreshments!

The second VBS program I helped with was a community VBS with several churches at New Song Fellowship in Harrisonburg. Their theme was **Operation Rescue**, Jesus Renews Life. The topics were "Jesus renews my relationship with the Father, my habits, my relationship with others, my surroundings and renews me to enjoy His abundance.

Each VBS ran about 60 people. I enjoy helping in the yearly VBS programs. Thank you for your prayers and support. It allows me to participate in community outreach programs.
