Shipment for Jezreel International

Shalom Aleichem! This is the traditional Jewish greeting, meaning "peace to you". Since we know the Prince of Peace, our Lord Jesus Christ, it has special meaning to us as Christians.

ETS had the opportunity to share this peace Christ offers to Jews in Israel, with a shipment we sent to Jezreel International. We were blessed to have had members from 3 different Mennonite churches gather with us to load a 52 foot tractor trailer with clothing, hospital furniture and medical supplies.

We sent almost 16,000 pounds of used clothing, 136 computers, gurneys, exam tables, cribs, over the counter medications and other medical and hospital items. These items were requested by ministries in Israel, who want relief items to be used for "after the war". (There is a definite expectation in Israel that a battle is going to take place. Although none of us want to see this happen, we are glad to be able to help with much needed supplies.)

We are told in Scripture to pray for peace for Jerusalem. Will you join us in praying this prayer, and in praying that the items we sent will be used for the glory of God and for the extension of His Kingdom?

Thank you for your support of me and of ETS that made this shipment possible.
