## A Light Bulb Moment

Many of you know that I spend a lot of time selling light bulbs for ETS. We will get 80 to 100 orders in a month's time. The light bulbs sales generate over \$3000 monthly in sales and over \$1500 in income for ETS. I also include a Scripture portion booklet in every light bulb shipment.

I have an opportunity to help people find bulbs for antique and obsolete audio-visual machines. You can imagine their joy when they can replace the bulb in an old movie projector or slide projector, and then use this equipment to share their family memories with their children or grandchildren.

I recently received a note from a light bulb customer that made me smile. This is what it said, "I found your company on line and picked you because of your Christian heading. Thank you for portraying that."

Please continue to pray for my "dental dilemma". I have 9 more fillings to go but have already spent over \$800 fixing the last 6. The rest of the fillings will be bigger and I may possibly have to have some crowns which will definitely be costly. Thanks for praying.

Blessings,

*John Starke*
