Too Much of a Good Thing

Have you ever thought that if "a little" of a good thing was fine, that maybe a lot more would be even better?

January 17th through the 19th I attended a book trade show given by Christian Product Expo in Hershey, Pennsylvania. I placed 13 book orders for about 250 books. Little did I know that most of them would arrive at the same time, along with the orders that our director had placed at other book trade shows earlier. So if you haven't heard from me in a while, it's because I'm digging my way out of book boxes!

Thank you for your prayers and support. I recently began having work done on my teeth at the free clinic. I have 15 cavities that need attention! Scheduling has been a problem because of the snow and a 6 month backup of appointments. Please pray that I will have the funding I need to get the dental work done and that the dentist won't find any serious problems that will require expensive repairs.

Blessings,

John Starke
