Prayer Letter of John Starke

June 2010

Putting your money where my mouth is!

No, you are not seeing things. This is **not** what I look like early in the morning or when I yawn. However, like this furry beast, I've had a lot of experience opening my mouth up wide letting the dentist drill, fill, grind, suction, and shoot me with Novocain. This 6 month relationship with my dentist was caused by 15 years of neglect on my part. Now, \$1500 later, I still have 3 more appointments before the rest of my teeth are repaired. Thank you for your generosity in this dental dilemma. I am hoping this crisis will soon be over.

My dilemma now is, do I fix my teeth (and walk or roller skate everywhere) or do I fix my car (and cancel the rest of the repair work)? I have a 95 Subaru that is need of a CV joint repair on the right side. I just had the left side repaired.

I was once told that "Finances are God's short leash on the Christian to keep us on our knees". The Bible verse in our staff meeting today was 2 Corinthians 9:8 "And God is able to shower all kinds of blessings on you. **In all things and all times you will have everything you need.** You will do more and more good works."

Thank you for your prayers and support. I have definitely felt your prayers and been blessed by your giving. Rejoice with me as I wait on the Lord.
