

JOHN'S JOURNAL

Prayer Letter of John Starke

March 2010

Missionary Curio

About a year ago we were blessed by a visit with George Gonzales from Amazon Xpedition . ETS had helped raise \$1200 for gasoline which enabled Amazon Xpedition to transport needed equipment to build a school for an isolated Amazon tribe that had never heard the gospel presentation. As a thank you George presented us with this beautiful map of Columbia, Peru and Brazil, which is hand painted on bark.

The map was stored in a cardboard tube until recently when it was finally professionally framed and it now hangs in our meeting room. Many thanks to *Tomoka Christian Church* for their help in putting in new windows and painting our meeting room. Our meeting room has been housing several out of state groups that have come to help to help at ETS. I would invite you to come check out the framed map for yourself.

I have an appointment with a local dentist in Weyers Cave next week. He told me that the fact that I am not having any tooth pain is a good sign that I may not need a root canal or other expensive dental treatments. Thank you for your prayers for me as I proceed to get fillings and repair years of neglect.

Blessings,

John Starke
