

Laurel Hill Baptist Church Live Nativity

This is a picture from Laurel Hills Baptist Church Live Nativity Scene earlier this month. I was able to help in the three night event. We had 683 people drive through and had some amazing comments. There is a lot of work involved in organizing and setting up props, tending animals, handing out programs and making everything run smoothly. It is a great outreach to the community and I enjoyed participating in it this year.

Please pray for me and my family this Christmas as it will be the first Christmas without my father. I plan to be on the road December 22 so I would appreciate your prayers for my safety as I travel. While at home I will be getting my car's struts repaired. I am blessed to know a very reasonable mechanic who will work with me and can make the needed repairs for half the cost quoted me here in Virginia.

I thought you might enjoy my Rudolph picture! It does seem I've been "dashing about" trying to catch up with the Christmas orders. Thank you for your prayers and support. I've been blessed to be your missionary.
