Prayer Letter of John Starke

June 2012

A visit from old friends

June 4th through the 9th was a busy time around ETS . We were blessed by the annual visit of our friends from Tomoka Christian Church in Ormond Beach, Florida. This group takes on all kinds of projects from landscaping, electrical, auto repair, painting, boxing clothing and medical items to even giving us an original piece of artwork for our entryway.

We have gotten to know them really well and they seem to like us cause they keep coming back despite all the hard work and long hours of travel time. We appreciate their time and energy but mostly we appreciate their genuine heart for missions and their personal encouragement. They always have a smile on their faces and love to share a word of encouragement or even their lunch!

I appreciate the monthly support I receive from their church as well as their personal visits each year. We always know that we will be blessed by their visit and fortified by their prayers. How blessed we are to be a small part in the body of Christ. Thank you Tomoka Christian Church.
