The Pioneer Girls invade ETS

Yes, that's me surrounded by lots of females. The outfits are clothing that came from our mountain of used clothing that the Pioneer Girls like to put together to make outrageous fashions. Right after this picture they went out to eat wearing their creations to our local Cracker Barrel.

We always look forward to their visit. The girls are from Silver Springs Maryland and have come every year for the past 10 years. They are cleaning tornadoes and packed 115 boxes of clothing for us as well as sorted and boxed hospital linens and help organize and box medical equipment.

We love their enthusiasm and their missionary zeal.
