Prayer Letter of John Starke

Happy Birthday Little Brother

My younger brother David celebrated his 50th birthday this past week in Peru, New York. Imagine his surprise when I casually walked in and wished him "Happy Birthday". We had a small family gathering celebration.

It was nice to spend a few days with my Mom and brother Jimmy in Keeseville and attend morning Sunday service at North Country Alliance Church in Plattsburg and evening service at Independent Baptist Church in Keeseville.

I was able to help my mom with cleaning up the yard and the huge task of mowing the yard. Is the yard getting bigger or am I just older? Hopefully with winter coming soon the grass won't need another cutting till spring.

Being away from ETS was nice but I did communicate on a daily basis about shipping and other details of my job that were being covered by the remaining ETS staff. I was warmly greeted when I returned so I think they missed me!

Sometimes it's nice to know that what you do makes a difference. You make a difference in my life by your prayers and support. Thank you.
