Family Reunion?

Who doesn't love a family reunion? It's lots of good food and seeing familiar faces that are glad to see you. A family is defined as "*a group of people connected by blood or marriage and sharing common ancestry.*"

Tomoka Christian Church in Ormond Beach, Florida has been coming to ETS for the last 5 years and I look forward to seeing them every year. I love the fellowship and help I get in the office mailing my prayer letter and checking in Spanish books into our inventory. I get monthly support from the church and from some individual members of the team. I am very grateful for their prayers and financial help.

The group was here for 4 days and helped with a number of projects. They boxed and shipped out CPR manikins that were donated to ETS to a health college in Zanzibar, a hospital in Guatemala, Togo, and in Bangladesh as well as the Medical Centers of West Africa.

Several painting projects were completed as well as a porch swing was hung for our customers and volunteers. The group boxed up 1358 pounds of clothing and even added much needed lighting in the clothing tent. They bring their own electrician all the way from Michigan with them!

Their 4 days of work saved us months of labor and gave us much needed encouragement. I love the body of Christ and am so glad to be a part of this family. Thank you Tomoka Christian for coming to our house.
