

JOHN'S JOURNAL

Prayer Letter of John Starke

February 2014

Home is where?

For the last 3 weeks home has been ETS. Due to car problems and snow it has been easier to stay at work. My 1995 Subaru with over 300 thousand miles decided to “give up the ghost”. I was able to have the engine replaced with a used engine for 3 thousand dollars. Needless to say it was a large financial hit which has me really relying on the Lord. My prayer life has never been better!

Looking on the bright side:

- *I don't have to worry about getting to my destination safely.*
- *I haven't been late for work in the last 3 weeks.*
- *I've been able to get some projects done at work.*
- *I have an interesting topic for my prayer letter.*

Thank you for your prayers and support. I appreciate your encouragement. I am reminded of Matthew 6:34 [New Living Translation](#) "So don't worry about tomorrow, for tomorrow will bring its own worries. Today's trouble is enough for today. “
