

JOHN'S JOURNAL

Prayer Letter of John Starke

June/July 2014

Memorial Day, 1999 was my first day at ETS...I just realized that it was 15 years ago. As you can tell by the pictures on the left some things have changed over the years and some things have stayed the same. Yes, I still wear glasses and yes I still like bananas!

I still love to skate and occasionally compete. I enjoy helping with two local Vacation Bible Schools in the summer time and get talked into taking crazy pictures for my newsletters.

I enjoy talking with missionaries and helping them with equipment and supplies and I also enjoy working with local volunteers in the office and with visiting groups.

I have been much busier shipping out books, Bibles and other items purchased on line. Thank you for your friendship, prayers and support. It has enriched my life and helped support me over the last 15 years. Here's to the next 15!
