

How Can I Help John?

Equipping the Saints is a Christian, US resourcing ministry, recognized by the IRS as a publicly supported, 501c3, nonprofit organization. All donations are tax deductible to the full extent allowed by law. We do not receive a salary and are expected to raise our own support.

1. You can help John by financially supporting him on a monthly basis, or with a one time donation. Your monthly support is a great encouragement and allows him to devote his full time and energy into assisting missionaries worldwide. John currently is having difficulty with his car and is facing some major repairs on his 20 year old trailer.
2. You can help John by praying for him on a daily basis. Everyone benefits knowing that they have an active prayer base. Your prayers energize each of us and help us to feel a strong partnership with the body of Christ.
3. You can help John by keeping in contact with him. All of us need words of encouragement and having a personal cheerleader brightens our day. Your encouragement lifts us up and keep us going through long hours . Galatians 6:9 admonishes us to *"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."*

Below is a personal response device that you can print and use to send help to assist John. Thank you for your prayers and support.
