"TO SPEND AND BE SPENT"

Ben Cohen is at it again! He has a vision to saturate Sudan with the Word of God. In his latest letter he says, "In the last 3 years, we've watched in amazement as God has used us as a conduit to help send over 210,000 Bibles into Africa, 125,000 of these have gone into Islamic Sudan." His goal is to see a church planted in all 90 tribes in the Nuba area.

We feel honored to have a part in this young man's vision. He is truly working to "spend and be spent" (as he puts it) for the Lord. What is he up to now? Another container of Bibles and other teaching materials is about to be sent. They are scheduled to go in December. The cost of shipping from Belarus to the Nuba mountains is \$23,500! Ben is trusting God for this provision so they will arrive in time for him to transport them into the area in February.

BIBLES FOR GHANA

In October we were able to purchase 15,000 Bibles for students graduating from the Bible classes taught in the countries of Ghana and Togo. Over 60,000 students are reached through Torch

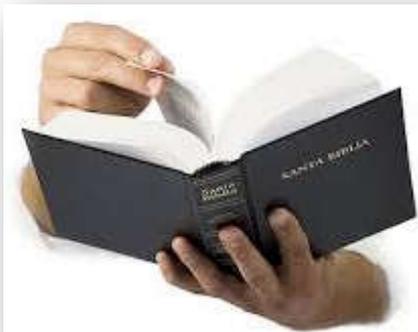

Ministry each year. As they graduate, each student is given a Bible for completing the program. These Bibles are needed for the graduates this year. We didn't hesitate to meet this need as we've worked with Ohene and Torch for many years now and are excited over what is taking place there.

We pray for safe arrival of these Bibles. Also, as their license to work in the public schools is long overdue for renewal, we pray that the government will grant permission to Torch to continue these classes.

MORE BIBLES FOR MEXICO

We were able to get a super buy on Spanish Bibles! A ministry in Texas that provides Christian materials to pastors and workers took all 1,100 of them and was SO grateful to receive them.

Bibles seem to be the challenge for ETS at this time. We smile as we think of the many transformed lives that will result. Wouldn't it be fun if God would push back the curtain so we could see what has transpired so far? We will get a grand review in Heaven and it will be a time of great rejoicing.

Thank you for partnering with us.
