

# Equipping the Saints

"for the works of service, so that the body of Christ can be built up"  
Ephesians 4:12

September, 2020

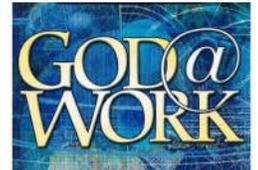

Islam is no longer Sudan's official religion! Thirty years of government directed violence against the Church has ended! The faithfulness of God's people in the face of suffering and prayers for deliverance have been rewarded. Thank you for praying and helping provide thousands of Bibles to His people during those difficult years. May the Word of God provide a firm foundation for a renewed church and nation.

One of our publishing partners called with unusual news. They had decided to donate almost 1,200 Spanish Bibles because they appreciate the ministry of Equipping the Saints. It has been our special joy to donate these to several ministries in Mexico, Cuba, Honduras and even here in the USA.

We ran out of clothes to process! For years ETS has processed and shipped like new used clothing, shoes, blankets, etc. We usually picked up about 2,000 lbs. per week from a nearby resale shop. Covid ended that. But God has now provided new sources in order to continue with that aspect of the work.

Don't throw that out! Blessings International provides all types of medicines and related items for ministries. COVID has complicated deliveries to many parts of the world. International shipping, travel, government and ministry offices have been severely restricted. Expiration dates on meds and supplies require many good things to be dumped. Equipping The Saints has been able to help Blessings find grateful homes for many of those things destined for the dumpster.

A work in progress....PRAYER NEEDED....Since coming to power, the government of Prime Minister Modi and the Indian parliament have passed anti-conversion laws all over the country and have vowed to exterminate Christianity by 2021. One leader declared *Our target is to make India a Hindu nation by 2021. The Christians don't have any right to stay here. They will either convert to Hinduism or be forced to run away from here.* WHAT CAN WE DO?

PRAY KNOWLEDGEABLY. See [prayercast.com](http://prayercast.com) and click on Nations "India" for current information. We have a unique opportunity to STRENGTHEN HIS CHURCH WITH HIS WORD. When we have the details set in place, we will inform you of this.

Thank you, dear friends, for your gifts and prayers. Remember:
