

Equipping the Saints

"for the works of service, so that the body of Christ can be built up"
Ephesians 4:12

July, 2020

Dear Friends,

July! The month when we celebrated the freedom we enjoy in this country. Freedom bought with a price, but so often taken for granted as our right. We need the 4th of July to remind us of the great privilege we have of being a part of this great land.

We not only have freedoms in our personal lives, but the freedom to know and serve our God. At ETS we pray that this will continue, not only for our good but for the good of all the ministries we serve.

Like everyone else and every other ministry, ETS has been jolted by the changes required during the past five months. Our purpose "to equip the saints" has not changed, but the way we do it has.

We are regularly asked, "Are you open?" Yes! We have been six days a week throughout this time. While relatively few people come by the office, the work has not stopped.

More and more of our serving others involves providing information and networking on behalf of other ministries.

Have we stopped shipping things? No! Two of the "big" shipments this month were 9,350 lbs. of pastor library books for Love Packages and a 53 ft. trailer of clothing, medical supplies and more for Jezreel International. Without our Lord bringing good volunteers to help, none of this would be possible.

Have we stopped buying things? No! Many publishers and other vendors seem to be "dumping" inventory. We are buying thousands of Bibles while they are available at super low prices. These are needed now and that need will never end. We also recently purchased 2,472 "Go Tell the World" missionary soccer balls.

Almost done....

Done for the day!

We know many of our ministry partners are facing health or financial challenges. Be assured we make every effort to use wisely the gifts that God has provided through His people.

Thank you for being a part of this ministry with us. May God's grace flood your life with His provision, peace and purpose. Psalm 23:5.

Love in Christ,
ETS Staff
