**ANOTHER SNIPPET FOR THE 30TH  
ANNIVERSARY**

**May 2018 Letter — World Cup in Russia**

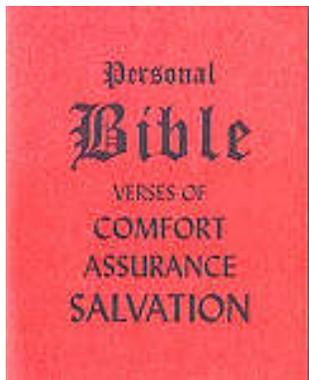

— More than 4 million tickets were sold to the soccer events. Over 3 million were sold to Russian people and close to a million to other nations of the world. Mission Eurasia provided 600,000 Russian New Testaments that were placed in eager hands in spite of government restrictions. Thank you for praying, giving and making this dream a reality.

**FAST FORWARD TO FEBRUARY 2021**

**SHARING GOD'S LOVE THROUGH HIS WORD:**

They come every day. Many come by email. Others come by phone. Some arrive at the office. What are they? Requests for God's Word!

An unusual acquisition of the Word has surprised us with it's demand. It's a miniature Bible — 2"x2½", the largest having 32 pages. "Little Bibles" share key Scriptures in 6 different languages. We have had requests in all of these languages.

The response has been phenomenal! During the last 3 years, we have distributed 220,000 "Little Bibles" from Hawaii to Puerto Rico to Maine and everywhere in between. Unlike Gospel tracts which are often quickly thrown away, there's something about the Little Bibles that makes them "keepers" even with non-believers.

Many come to buy cases of regular Bibles to ship to their home countries in Mexico and Central America. Many of those who purchase Bibles are certainly not wealthy in this world's eyes, but they are rich in faith. They send their Bibles with friends travelling "back home" or pay a high price to ship large boxes.

The hunger for God's Word is not limited to Spanish speaking countries. This month we received a request to help provide 20,000 Bibles (full size) for believers in Uganda. We are still working on it, so will update you next time. The enormity of what God is able to do with these Bibles staggers us. We pray that each recipient country will be hugely impacted with the Gospel.
