## Hearts Refreshed!

**“For I have had great joy and comfort in your love, because the hearts of the saints have been refreshed through you, brother.” (Philemon 1:7, NASB)**

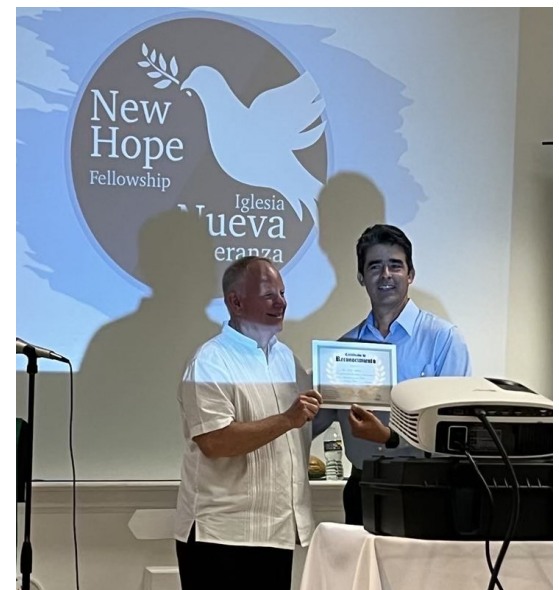

Refreshment, encouragement, and support are what we seek to provide for our local Spanish churches and customers. Magdiel González, our Director of Spanish ministry, has seen a need for this among the Hispanic community of believers. Over the last several months, he has been busy visiting local Spanish churches and encouraging them. There are a lot of bi-vocational pastors who need to know that we are in their corner.

Another way that we try to support our Spanish brothers and sisters is through resources. In June, we received an order of exciting new products for our Spanish bookstore customers. Magdiel found so many great resources while at the SEPA conference back in April, and we were able to order over 100 new titles from many well known authors! We have been hard at work entering all of these into inventory and preparing them for sale. You can find a sample of these new books on the next page... or you can [click here](#) to see all of our new arrivals. We pray that they will be a blessing to our Hispanic customers and friends.

Thank you for your continued prayers and support!

May God bless you richly,

~ ETS Staff
